

Lacaba Talk

- April and I have been friends for seven years.
 - Pitong taon na kaming magkaibigan ni April
- Of those seven years, we have been dating for six.
 - Anim na taon na kaming magkasama
- I can honestly say that a little over seven years ago, I met my best friend in the world.
 - Sa totoo, noong nakilala ko siya, nakilala ko ang aking pinakamalapit na kaibigan sa buong mundo
- That was April.
 - Si April
- We have so much in common.
 - Marami kaming parehong hilig
- We love music. We love USC sports. We love reality TV shows. We love trying new food. We love learning and seeing new things. We both love our families and our parents. But most importantly, we both love God.
 - Hilig namin ang music, USC sports, reality TV. Mahilig kaming sumubok nang bagong pagkain at humanap ng bagong magagawa. Mahal naming ang aming pamilya at ang aming magulang. At ang pinakaimportante ay mahal namin ang Dios.
- I think we make each other better people.
 - Palagay ko na natulungan namin ang isat isa na maging masmabuting tao.
- I'm sure that because of her, I'm becoming a better person and better follower of our Lord Jesus
 - Sigurado ako na dahil sa kaniya, akoy nagiging masmabuting tao at masmasunurin sa ating panginoong Jesus
- The most important thing that we talked about when we first got together was that we should only be together because we want to be together and not because we feel like we need each other.
 - Ang piniaka importanteng pinagusapan naming noong una kaming magsama ay pag magsasama kami, itoy dahil talagang gusto namin, hindi lamang dahil kailangan namin na may kasama
- I think that made us each desire to be in a relationship with each other even more.
 - Noong nalaman namin to, na talagang gusto namin ang isat isa, at hindi laman na kailangan namin namay kasama, masnagkagustuhan kami
- April is such a strong woman.
 - Matapat na babae si April
- She is intelligent, beautiful, hard-working, independent and most importantly, a woman of God.
 - Matalino siya, maganda, masipag, at ang pinakaimportante ai mahal niya ang Diyos
- It didn't take long for me to fall in love with April.
 - Kaagad, inibig ko si April
- Over the past six years, I have also fallen in love with her family.
 - Sa anim na taon na nakaraan, akoy nainlab (nainlove) sa kanyang pamilya

- Although our families do not mix very often, we both know how important family is to each of us.
 - Maski na ang aming mga pamilya ay hindi madalas magkasama, alam namin pareho gaanong ka importante and aming mga pamilya
- I am sure you know already but I am here to tell you that I love your daughter very much.
 - Sigurado ako na alam na ninyo na akoy nandito dahil mahal na mahal ko ang inyong anak.
- Our love for each other has grown in Christ and we have shared the desire to be married with each other.
 - Ang pagibig namin sa isat isa ay tumubo sa pag-akay ng panginoong Jesus as gusto naming magasawa
- I would like to ask for your blessing to become a part of your family.
 - Gusto kong hingin ang inyong permiso na makasali sa inyong pamilya
- I would like to ask for your daughter's hand in marriage.
 - Maaari ko po bang pakasalan ang inyong anak.
- I love you.
 - Mahal ko kayo
